

AWS Marketplace Private Offer - Voucher Only Pricing

This document offers additional package information beyond what is available in Xvoucher's public Voucher Only listing.

To request a private offer on behalf of your customer simply select the type and quantity required and submit the private offer request. Xvoucher should have the URL sent to Customers to subscribe to their private offer within 2-3 business days.

Private Offer Rules and Guidelines

- All private offers can be submitted by emailing: AWShelp@xvoucher.com
- There is a 25-voucher minimum purchase for each subscription
- The Admin License fee will be included in the final price quoted
- You can purchase combinations of Foundational, Associate, Professional/Specialty
- Orders are non-refundable and non-exchangeable

Info Needed for Private Offers

- Organization Name
- 12-digit AWS Account ID
- Billing address
- Contact Name with AWS root account
- Contact with AWS root account email
- Number of vouchers requested and type (Foundational, Associate, Professional/Specialty)

Exam Level	Price
Foundational	\$100
Associate	\$150
Professional / Specialty	\$300
